REVISOR'S NOTE: This section presently appears as Art. 66 1/2, §11-204.

In subsection (a) of this section, the phrase "in a traffic signal or with a traffic sign" is substituted for "in a traffic sign or signal" for clarity and to conform to the 1971 change made to the Uniform Vehicle Code counterpart to this section.

In subsection (b) of this section, the term "clearly marked stop line" is substituted for "stop line when one is marked" to conform to similar usage elsewhere in this article; cf., e.g., §§21-202 and 21-707 of this title.

In subsection (d) of this section, the present sentence referring to the rules for railroad grade crossings is deleted as unnecessary. See Subtitle 7 of this title.

The only other changes are in style.
